A \$10.00 donation to your child's 4th grade class will be used to cover the expenses of items directly related to improving your child's knowledge in every subject area.

We apologize for the specific nature of this list, but other supplies often present problems. **Students cannot have Trapper Keepers because they will not fit in our lockers or desk at school.** Please do not buy mirrors, posters, or locker magnet type items. These items have proven to be very distracting for 4th graders. The only thing that 4th grade students might need to buy for their locker is a shelf to store books on.

Please remember to check the quantity and serviceability of your child's supplies throughout the year. Many items will not last more than a 9 week grading period, especially 3 ring binders and will need to be replaced.
